

WaterBlock®

Sill Guards

WaterBlock Sill Guards were designed to provide simple, easy to install, window and door sill protection systems.

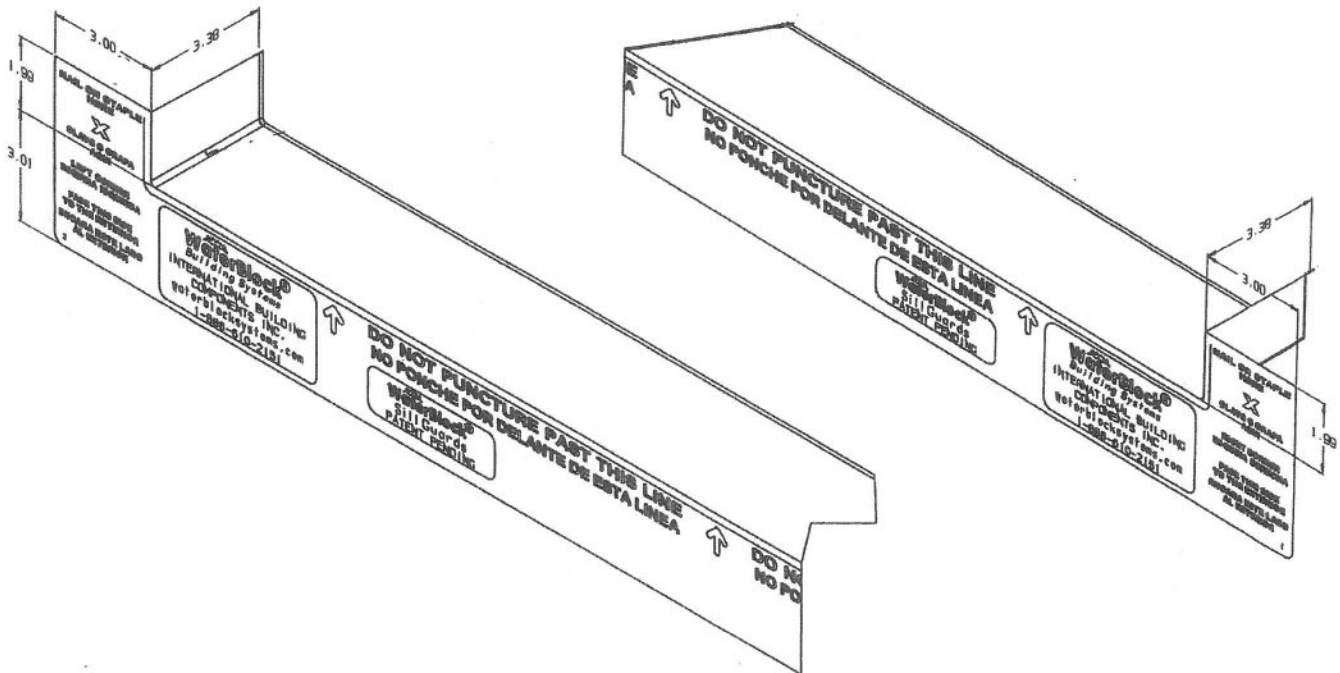

WaterBlock Sill Guards can provide you with a Basic Sill Protection (BSP) or maybe combined with other WaterBlock components to create a Complete Sill Pan Protection System (CSPPS).

Sizes;

Left Sill Guard 30.5 inches, Right Sill Guard 30.5 inches

25 Sets per box / 48 boxes per pallet / 1200 sets per pallet

Two Sill Guards can protect a 60 inch Rough opening with one splice. For large openings cut desired lengths from other Sill Guards and add a sections.
